‘Today line crews accomplished a lot’

(JACKSON, MN) – Federated Rural Electric’s outage numbers are dropping as crews restore power. This morning Federated had 1,992 outages and that number has now dropped to 1,490 as of 5:30p.m. Crews will work til it gets dark tonight and be back to work at 6 a.m. Saturday

“I drove around the Federated system today and witnessed all of the line crews’ hard work,” said Scott Reimer, Federated’s general manager. “I’m impressed with the amount of work they accomplished today. We also thank the farmers who used tractors to pull the line trucks out of the muddy fields and slick ditches.”

Watch for more updates Saturday on Federated's Facebook page and website www.federatedrea.coop.

Federated is a Touchstone Energy Cooperative serving 6,700 members in Jackson and Martin Counties.
