

## Online Pay — not recurring

Federated's Online Pay program is an internet payment option. Go to Federated's website [www.federatedrea.coop](http://www.federatedrea.coop). Click on the *Online Pay* logo. You will need to create a user name and password the first time. You can sign up to pay your electric bill online from your checking, savings or credit card account. **This payment method requires the member to initiate their payment each month.**

## Paperless bills!

If you go south in the winter or head to the cabin, getting your electric bill through the mail is complicated. With Online Pay you can sign up for paperless bills. You are notified by email when your statement is ready for viewing. Then click on the link to view and/or pay your bill.

## How do I enroll?

Federated uses a secure website to protect your data. Follow these steps to start:

1. Go to [www.federatedrea.coop](http://www.federatedrea.coop).

## Auto Pay — recurring

Federated's Auto Pay program is a free service that allows you to have your electric bill automatically deducted from your checking, savings or credit card account monthly.

## How does Auto Pay work?

Your monthly electric bill will be automatically deducted from your bank or credit card account on the bill's due date or the next business day. You will still receive an electric bill every month stating the amount that's automatically withdrawn.

## How do I sign up for Auto Pay?

Complete the form on the back; attach a voided check. Mail both items to Federated now or with your next electric bill payment. We'll take care of the rest. A message on your monthly electric bill will notify you that you are now enrolled. This message will state, "ACH — Do not pay" or "Paid by Credit Card."
