Rebates are available only for the purchase of new ENERGY STAR® rated ductless air source heat pumps purchased on or after January 1, 2025. The products must be installed where electricity is supplied by the cooperative. Rebate submittal must follow the guidelines as outlined by the cooperative. The cooperative is not responsible for inaccurate information supplied by appliance dealers. Rebates will be issued only for products on the current list of ENERGY STAR® rated products as of the purchase date. ENERGY STAR® occasionally removes products from qualifying lists, and the cooperative will not rebate products that have been delisted as of the purchase date or are mislabeled as ENERGY STAR®. To verify ENERGY STAR® certification for ductless air source heat pumps, visit <http://www.ceedirectory.org/ceedirectory>. Rebate program is subject to change or cancellation without notice. Call the cooperative to verify rebate program status.

Important: Will rebate up to 50 percent of project cost, but no more than \$600 per outside unit.

- The ductless air source heat pump must be installed within the cooperative's service territory.
- Incomplete forms will not be processed.
- Include a copy of the original dated sales receipt.
- Submit completed rebate form and a **copy of the original sales receipt** within 90 days of purchase date to:
