

Federated Broadband Installation and Service Technician (Jackson, MN)

Federated Broadband operating by and through Federated Rural Electric, Jackson, Minnesota, is seeking qualified candidates who possess the right skill set in the fast-growing internet service industry. Federated Broadband is an internet service provider operating primarily in Jackson and Martin Counties of southern Minnesota providing fixed wireless and fiber to the home internet service to the rural areas.

Responsibilities and Skills: The Broadband Installation and Service Technician is responsible for providing excellent installation and customer service to the members of Federated Broadband, as well as maintaining customer premises equipment (CPE) as needed, ensuring that networks are operating correctly and identifying issues which may require changes or upgrades for optimal performance. The technician must have the ability to install and troubleshoot both fixed wireless (FW) and fiber to the premise (FTTP) services and troubleshoot each accordingly. A complete job description along with an application may be found under the employment section of the Federated Broadband website at www.federatedbroadband.coop.

Wage and Benefits: Federated Broadband offers a competitive wage and an attractive benefits package. Starting wage range will be commensurate with training and experience between \$18 to \$30 per hour.

How to Apply: The position will be open until filled. Completed applications and candidate resumes should be mailed to Attention Troy at:

**Federated Broadband
77100 Highway 71 S. • PO Box 69
Jackson, MN 56143
Email to: info@federatedbroadband.coop**
